1. New Actives

At the end of rush this year we had a total of 8 signed bid cards. Although these numbers are low, we are very excited for what these young men will be able to bring to the chapter. Our new member educator, Jack Cook, will be helping these young guys shape up into better men. Check out the list below to see which family lines are continuing to get bigger.

2. Rush

This year was a particularly challenging year for rush with COVID restrictions. Very few freshmen came out to rush, but we are very hopeful that in the spring we will have a large group come out to rush again. A big thanks to Tyler Thenell and Aidan Moss for making the most out of the fall rush.

3. Social Events

Due to COVID restrictions, we were unable to have our normal social events during the fall, but a group of alumni and actives did take a trip out to West Virginia to raft on the Upper and Lower Gauley. These guys had a great time reuniting and navigating the fast-paced river. A huge shout-out to Micah Fletcher (2020) for spear-heading this trip and getting a large group of guys to raft.

Above are a few of the pictures from the trip (thanks to Mikey Holtz)

4. Upcoming Events

Currently there are no upcoming events planned. We are hopeful that we will be able to host pig-pickin', but it is too early to tell if that will be able to happen officially. Alumni are encouraged to stay connected with actives. Look forward to possible events in the future when they are socially allowed.

5. Alumni Engagement and Delta Sigma Housing Map

The plan for Alumni engagement is to continue with professional development talks. This could consist of what to do after graduation, building up a LinkedIn, financial assistance, resume help, or perhaps starting your own business. If you have any interest in helping with this, please contact me by email at tebbejd@rose-hulman.edu.

As a reminder, there is a Delta-Sig Housing map with the link below. Please continue to fill this out as it will help Alumni connect with each other and it will also help actives connect with Alumni. If there are new Alumni in your area, reach out to them and reconnect with them. I'd like to see it filled out as much as possible.

6. Alumni Contact Information

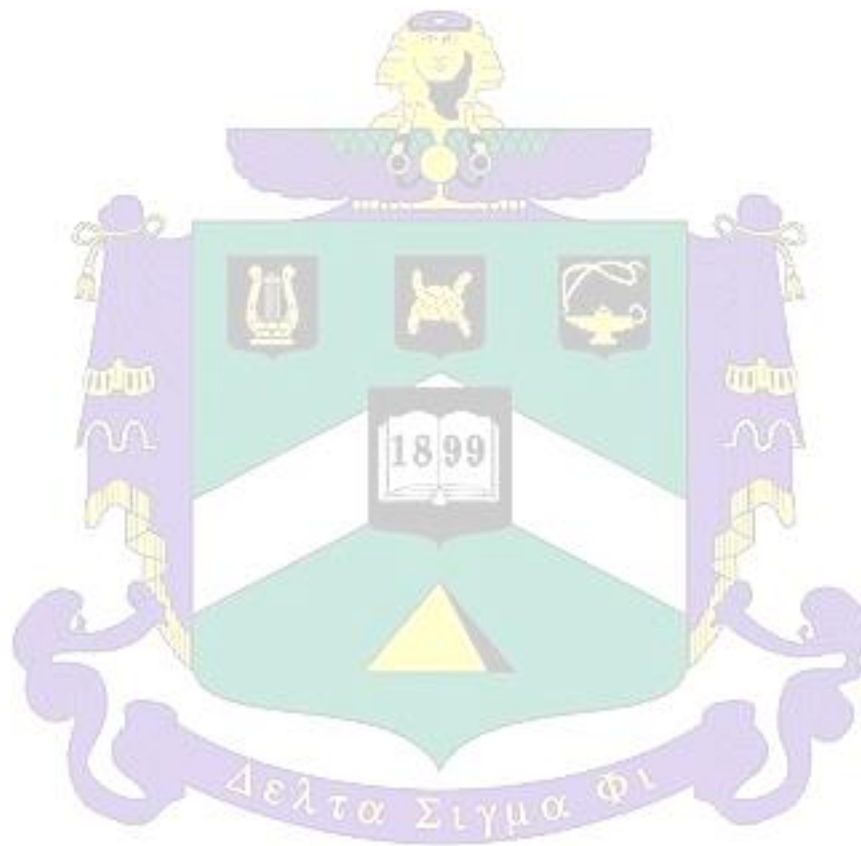

I highly encourage all alumni to get onto the alumni website and update their contact info on the Green Book. Updating this info will make it a lot easier for the Chapter to

stay in touch with all of the alumni to get them back out to the house for events and will make it easier for actives to network with alumni. The link to the green book is below.

I also highly encourage all alumni to get registered on the alumni forums so that they can reach out to other alumni and stay in touch with alumni. The forum is a great place to find out more about the chapter that you never learned during your undergraduate years and to tell good stories of your undergraduate years. The link for the forum is below.

What do you want to see in the Hare?

If you would like to see more of what other Alumni are doing or want to see more of something else, let me know.

That being said, if you have something to share and want everyone to know about it, share it with me and I can spread the word!

If you have any questions or concerns email me at tebbejd@rose-hulman.edu with subject: ALUMNI
