4. Mr. Rose

Every year Alpha Omicron Pi, hosts Mr. Rose to support awareness and raise money for breast cancer. This year Jake Powell represented our chapter and won the crowd favorite award for his wonderful talent of kazooing. The chapter had a large showing of guys who came out and supported Jake and donated money. This event has become a fun event for us to come together and cheer on one of our brothers while he performs a unique and often not talented talent.

5. Upcoming Events

On May 9th, the chapter will be hosting Pig Pickin' which is the time when brothers invite their family to visit the house, eat some fresh pig, and enjoy a good time with the chapter. We would love to see alumni come out to this to enjoy some good times with the current actives and also to interact with the families. This will be a good time with food, family, and brotherhood, so please mark your calendars for this. If you have any questions about this or if you need help making arrangements to get back to Terre Haute that weekend, feel free to send me an email at tebbejd@rose-hulman.edu. We really hope that we can get many alumni out to enjoy a nice Saturday and some nice food with us.

6. Alumni Engagement and Delta Sigma Housing Map

The plan for Alumni engagement is to continue with professional development talks. This could consist of what to do after graduation, building up a LinkedIn, financial assistance, resume help, or perhaps starting your own business. If you have any interest in helping with this, please contact me by email at tebbejd@rose-hulman.edu.

As a reminder, there is a Delta-Sig Housing map with the link below. Please continue to fill this out as it will help Alumni connect with each other and it will also help actives

connect with Alumni. If there are new Alumni in your area, reach out to them and reconnect with them. I'd like to see it filled out as much as possible.

7. Alumni Contact Information

I highly encourage all alumni to get onto the alumni website and update their contact info on the Green Book. Updating this info will make it a lot easier for the Chapter to stay in touch with all of the alumni to get them back out to the house for events and will make it easier for actives to network with alumni. The link to the green book is below.

I also highly encourage all alumni to get registered on the alumni forums so that they can reach out to other alumni and stay in touch with alumni. The forum is a great place to find out more about the chapter that you never learned during your undergraduate years and to tell good stories of your undergraduate years. The link for the forum is below.

What do you want to see in the Hare?

If you would like to see more of what other Alumni are doing or want to see more of something else, let me know.

That being said, if you have something to share and want everyone to know about it, share it with me and I can spread the word!

If you have any questions or concerns email me at tebbejd@rose-hulman.edu with subject: ALUMNI
