2. Rush

This fall rush turned out to be a great success. The rush directors, Haiden Smith and Tyler Thenell, did a great job organizing and managing rush. A big shout-out to them for all the hard work they did! Another big shout-out to all the brothers who were very persistent in rushing and helped find the new members. Another big thanks to all the alumni who were able to come back during rush.

Here are some pictures of some of the fun and exciting Mystery Road Trips that happened this year!

One trip after a fun time learning to throw axes

One trip after a fun time at the St. Louis Museum

3. Social Events

This fall the chapter had a social event with Alpha Omicron Pi at Indy Scream Park. The brothers had a great time at the haunted house and getting to socialize with the women at AOPi.

The chapter also hosted a social event at the house with Chi Omega, which involved carving pumpkins and listening to music. There were some very artistic pumpkins at the end of the night.

4. Homecoming

For the third year in a row, the chapter had a tent set up before and during the homecoming football game. Lots of alumni and their family showed up and spent some quality time with the actives. There was plenty of food and lots of fun.

There was a great turn out for the whole weekend as many alumni were able to come back to Terre Haute and spend time at the house.

Check out some cool pictures of Alumni and actives hanging out!

The actives also helped clean up campus before homecoming. They helped plant some flowers by the Triplets and cleaned up the grass by the SRC.

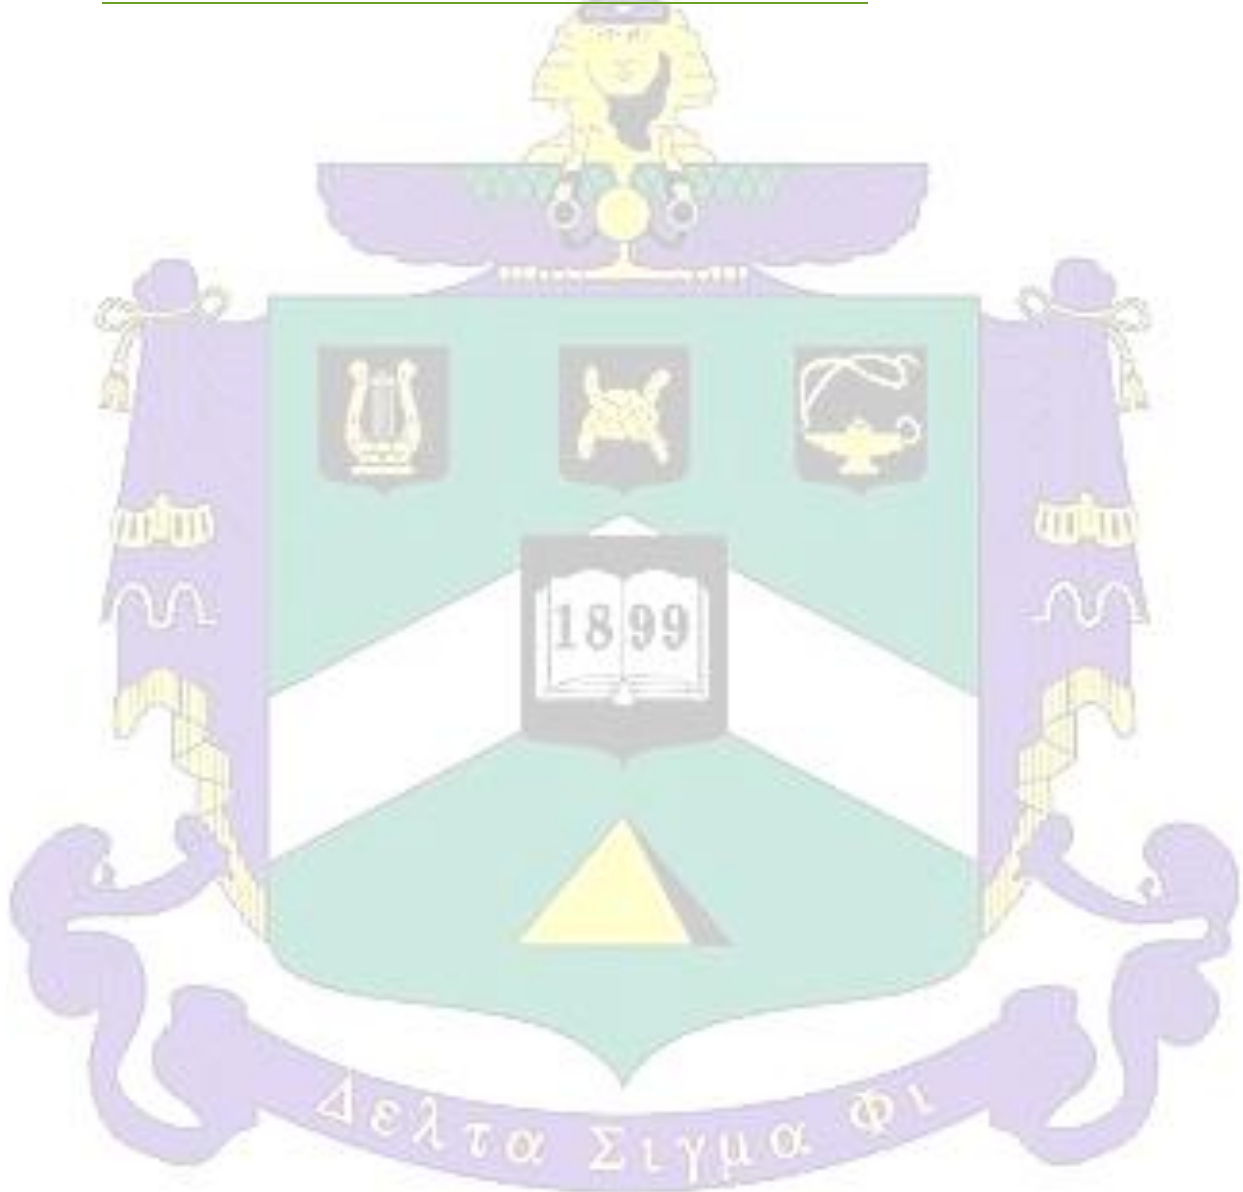

5. Alumni Engagement and Delta Sigma Housing Map

The plan for Alumni engagement is to continue with professional development talks. This could consist of what to do after graduation, building up a LinkedIn, financial assistance, or perhaps starting your own business. If you have any interest in helping with this, please contact me by email at tebbejd@rose-hulman.edu.

As a reminder, there is a Delta-Sig Housing map with the link below. Please continue to fill this out as it will help Alumni connect with each other and it will also help actives connect with Alumni. If there are new Alumni in your area, reach out to them and reconnect with them. I'd like to see it filled out as much as possible.

What do you want to see in the Hare?

If you would like to see more of what other Alumni are doing or want to see more of something else, let me know.

That being said, if you have something to share and want everyone to know about it, share it with me and I can spread the word!

If you have any questions or concerns email me at tebbejd@rose-hulman.edu, with subject: ALUMNI
